

Thanks to supporters like you, the Kentucky State Police Foundation has been able to provide critical resources to KSP, including training equipment, protective gear, memorial support, and funding for the new driver skills pad approved earlier this year.

We're excited to announce the **2025 Gold for Gray Virtual Silent Auction**, taking place **September 3–24, 2025**. Since 2020, the auction raised over **\$200,000**, and we hope to build on that success with your help. This year, we are working to launch a comprehensive, agency-wide wellness program in direct response to KSP's needs. They asked, and we are committed to delivering.

This year's auction will feature **sports memorabilia, handcrafted KSP Treasures, rare bourbon spirits, exclusive experiences**, and other unique items, all while honoring the dedication of those who serve along the Thin Gray Line.

Whether you sponsor, donate, or bid, this virtual event offers a meaningful way to support KSP from wherever you are. Sponsors and donors will be recognized on our website, social media, and throughout the auction.

The Kentucky State Police Foundation is a **501(c)(3)** nonprofit (EIN: **47-4712245**), and contributions are tax-deductible as allowed by law.

Thank you for helping us equip and support one of the nation's premier law enforcement agencies. Together, we're making a lasting impact.

With deep gratitude,

Alison Chavies
Executive Director
Kentucky State Police Foundation

THANK YOU for supporting the Kentucky State Police Foundation's Gold for Gray Virtual Silent Auction, September 3 – 24, 2025.

The Foundation's Gold for Gray Virtual Silent Auction is a targeted fundraiser designed to generate corporate and individual support for the men and women of the Kentucky State Police.

In an environment of limited resources and growing demands, the Foundation provides critical support by funding specialized equipment, advanced training, and priority initiatives, such as wellness programs, identified by the Agency. Your participation directly supports efforts such as recruitment, leadership development, and enhancements to the new driver skills pad, recently funded by the Legislature.

This year, we are working to launch a **comprehensive, agency-wide wellness program** in direct response to KSP's needs. They asked, and we are committed to delivering.

Your support of the auction—and the broader mission of the KSP Foundation—helps us meet urgent needs and strengthen those who proudly serve the citizens of the Commonwealth.
